

MEDICAL CONDITIONS

Students with medical conditions as per following will not be accepted for registration and will be terminated from study. It is a mandatory requirement from the Government of Malaysia and approved by the University Senate to protect the health of Malaysian residents and to reduce the potential burden on the public health service in Malaysia.

A) COMMUNICABLE DISEASE

1. HIV/AIDS
2. HEPATITIS B
3. TUBERCULOSIS
4. MALARIA
5. TYPHOID
6. SYPHILIS

B) NON COMMUNICABLE CHRONIC DISEASE

1. SCHIZOPHRENIA
2. EPILEPSY
3. DIALYSIS CANCER
4. DRUGS
5. HYPERTENSION
6. DIABETES MELITUS

The university reserves the right to refuse admission based on these justifications:

- Infectious
- Difficult to cure over long term
- High treatment cost
- Disease /condition that can endanger oneself or others
- Treatment and complications can affect the studies

DISCLAIMER

1. Immigration authorities reserve the right to revoke any student/dependent pass or visa if there is evidence of false information in a report and/or supporting documents.
2. If a student fails the medical examination no refund will be given.
3. Students are allowed to appeal (subject to the approval by the University Senate) and redo the test should they fail, but cost will be incurred and be borne by the student
